**Resolution No.: 08-09-23E**

**Resolution Title:**

**Resolution Authorizing a Second Amendment to A Professional Services Agreement with Greenbaum, Rowe, Smith & Davis LLP to Provide Outside Legal Counsel Services in Connection with Agreements for the Cramer Hill Waterfront Park (formerly known as the Harrison Avenue Landfill) Designated as Block 809, Lots 7 and 13 on the Camden City Tax Map**

**Project Summary:**

- CRA is the title owner of the Cramer Hill Waterfront Park Site (formerly the Harrison Avenue Landfill) which is located at the northwest corner of Harrison Avenue and East State Street and is designated on the City Tax Map as Block 809, Lots 7 &13 (the “Park Site”).
- On February 7, 2018 the CRA and the New Jersey Department of Environmental Protection’s (“DEP”) Office of Natural Resource Restoration (“ONRR”) entered into a Memorandum of Understanding (MOU) regarding the environmental remediation and redevelopment of the Harrison Avenue Landfill as the Cramer Hill Waterfront Park.
- CRA by Resolution 08-11-21A, as amended by Resolution 07-12-22B, entered into a professional services agreement with Greenbaum, Rowe, Smith & Davis LLP for legal counsel services in connection with a complex multi-party agreement for the opening, operations and maintenance, and future transfer of the Park Site which was entered into on October 21, 2021 by the CRA, the City of Camden and the County of Camden (the “Park Operations Agreement”).
- The County of Camden Parks Department currently operates and maintains the Park Site, pursuant to the Park Operations Agreement. CRA will transfer the Park Site to the City after the remaining ground water remediation is completed.
- CRA is required under the MOU and the Park Operations Agreement to record a conservation easement to restrict disturbance or development within certain designated areas of the Park, which will be negotiated with DEP.
- This resolution is to authorize a second amendment to a professional services agreement with Greenbaum, Rowe for legal services necessary to complete the negotiations of the conservation easement with DEP as well as the County of Camden as the current Park Operator, and the City of Camden as the future Park Operator (after the CRA transfers title to the City) by extending the term for one additional year.
- Unexpended funds in the amount of \$25,000.00 remain in the original contract, which will cover the remaining scope of work. These services are eligible for funding under the CRA’s brownfields grants available for the Park Site.
