

Addendum I

October 21, 2025

RE: CONTRACT AND BID SPECIFICATIONS FOR
Former Borden Chemical Site Remediation
1625 Federal Street (Block 1184, Lot 5), Camden, New Jersey

Clarifications:

1. The Sign in Sheet from the pre-bid site visit that took place on 10/10/25 is attached to this Addendum 1.
2. In Attachment 02 (Technical Bid Specification) the location map was omitted but is included in the Hightail link under Attachment 03 (Location Map):
<https://spaces.hightail.com/space/BYP1pqlEOK>
3. Attachment 02 (Technical Bid Specification) incorrectly states the perimeter fence is to be 8' tall with barbed wire, but the appropriate specification found in Attachment 04 (Revised Plan Set) is for a perimeter fence that is 6' tall with no barbed wire. For the aforementioned documents refer to the Hightail link in clarification #2.

All other terms and conditions of the solicitation remain as is.
