

**Addendum #1  
October 10, 2019**

**PROFESSIONAL ENVIRONMENTAL SERVICES  
RISK ASSESSMENT  
FORMER RCA FACILITY BUILDING 8  
FRONT STREET & COOPER STREET  
FOR THE CAMDEN REDEVELOPMENT AGENCY**

The following are responses to the questions that were submitted regarding the request for proposals for Professional Environmental Services at the Former RCA Facility Building 8, for the Camden Redevelopment Agency.

**All other terms and conditions of the request for proposals remain as-is.**

- 
1. **Question:** Our only question at this time pertains to Task 1 in the RFP. Can you provide further information about the electronic database repository? Is there a required or preferred platform/software?

**Response:** For additional information regarding the electronic database repository refer to General Requirements Section 2, Submittal Requirements for the Database, page 12 of 19 of the RFP. The electronic database repository platform/software shall be selected by the Consultant. However, any and all source data files created by the Consultant shall be provided to the CRA in a format compatible with EnviroData and in a format compatible for submission to NJDEP.
